# 1967 Football Brochure

This 1967 Football Brochure has been prepared to aid newspaper, radio, television and college publicity personnel in covering the 1967 football team at Fort Hays State College. Information was compiled prior to the season and is therefore subject to change. Such changes will be brought to your attention through regular sports news releases from the Fort Hays State Information Services.

Visiting journalists, publicists, etc., are invited to visit the FHS campus and are welcome to use facilities and records in the Office of Information Services on the first floor of Martin Allen Hall. Press box facilities are available at Lewis Field Stadium and are explained in more detail elsewhere in this brochure. The Office of Information Services will gladly supply those interested with information about any phase of the college and its activities.

Fort Hays State's sports brochures are used not only for press, radio, television and publicity information, but are considered part of the college's regular publication program. They are seen by alumni, friends and prospective students of the college.

We hope you will find the brochure interesting and useful. For any additional sports information, pictures, movie platforms or other services, please phone, wire or write:

# History of the College

Fort Hays Kansas State College, founded in 1902, marked its 65th birthday in June. The institution is a tax-supported liberal and applied arts college, established and maintained by the state to serve the people of Kansas, and particularly the youth of Central and Western Kansas.

Fort Hays Military Reservation, established in 1867 shortly after the Civil War, was abandoned by the United State government in 1889. For the next 11 years, a proposal for wise use of the land was repeatedly presented to Congress by far-seeing residents of the area. In 1900 the government enacted legislation granting the land to the State of Kansas for three designated purposes: as a state college, as an agricultural experiment station and as a state park. All are now in existence on the land.

The college opened June 23, 1902, with 34 students, two faculty members and 19 courses. For two years the college held its sessions in two old Fort Hays buildings on the fort grounds.

The institution has grown steadily to its present enrollment of an estimated 5,365 students, with more than 800 courses and about 250 faculty members. This growth is further reflected in a steady building program that includes such recent construction as the new library, Malloy Hall, the new speech and music center; completion of a six-story women's residence that houses some 600 coeds; an addition to Albertson Hall, the science building; new maintenance buildings; a new men's dormitory; and new married student housing. Complete remodeling of parts of several campus structures has taken place, and a new power plant is under construction.

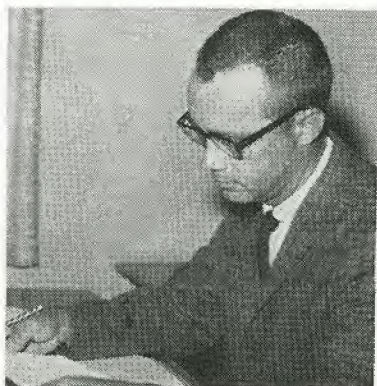

The campus is located immediately to the southwest of the city limits of Hays, on Big Creek, which wanders through the campus. The campus proper consists of about 80 acres, while all of the college land totals 4,160 acres.

Fort Hays State reflects the community and the area in blending new and old, tradition and progress, while serving as the educational and cultural center of Western Kansas.

### Game broadcasts . . .

All Tiger football games, at home and on the road, will again be broadcast by KAYS radio, 1400 kilocycles, in Hays. Sports director Keith Cummings, a Fort Hays State graduate and a veteran of several years of Tiger game broadcasting, will be at the microphone. The broadcasts are sponsored by the KAYS Sports Booster Club.

Any station wishing to arrange a feed or a special game broadcast should contact Cummings at KAYS, Hays.

## Athletic Facilities

In addition to Lewis Field Stadium, home of the football and track teams, Fort Hays State has other varied athletic facilities.

Sheridan Coliseum, built in 1915, houses the basketball and gymnastics facilities, in addition to the physical education offices and the K-Club trophy room. Home wrestling meets are held at the coliseum, although the matmen work out in a wrestling practice room at Lewis Field Stadium.

Sheridan Coliseum also includes a swimming pool which is used for phys ed swimming classes. FHS has not had a competitive swimming team for several years as the present facilities are not adequate for competition.

Another gymnasium building, known as "men's gym," is used for physical education classes and some intramural competition. Located south of the coliseum, it was moved from Walker Air Force Base in 1947.

The college tennis courts, eight in number, are located south of the coliseum. Solid fences have been added to two courts, giving some wind protection. The courts are lighted for night play.

The college golfers use the nine-hole course at Fort Hays Country Club for their meets. It is located southwest of Hays on highway 40 bypass. The golf course is also the site of home cross country meets.

FHS baseball games are played at Larks Park, the city baseball park at East Fourth and Oak.

## Ticket information . . .

Admission prices for home football games at Lewis Field Stadium:

Reserved Seat	\$2.50
General Admission	
Adult	\$2.00
Students	\$1.00

Press and radio representatives and opponents' publicity personnel will be admitted by presenting their customary press or college identification. Press box tickets are issued by mail. See page 9.

## **Athletic Program**

A well-rounded athletic program spanning the entire nine-month school term is offered at Fort Hays State, with at least two sports under way almost continuously throughout the year.

In the fall, the football team and cross country runners compete in both conference and non-conference competition. The cross country squad is also a top competitor each year in the NAIA national championship race.

Basketball, wrestling and gymnastics are offered through the winter months. The basketball squad competes in conference and NAIA competition. The conference does not offer wrestling and gymnastics activity, so the Tiger teams must maintain non-league schedules in those sports. The wrestling squad enters the NAIA national meet each year. The gymnastics team, being one of the few small-college gym squads in the area, regularly competes with major universities and in the NAIA meet.

Spring sports include track and field, golf, baseball and tennis, and all compete in conference meets. The track and golf teams have been frequent NAIA meet competitors.

The college fielded its second baseball team in 43 years last spring.

The college's well organized intramural program includes touch football, basketball, volleyball, softball, track and field, swimming, bowling, tennis, golf, badminton, table tennis and horseshoes.

## **Those wearing the block K . . .**

. . . on the black and gold award jackets are FHS athletic lettermen and members of the K-Club, the organization honoring athletic lettermen. The group's purposes are to foster fellowship among the members and to promote athletics. The club also contributes to the scholarship fund by selling concessions at athletic events.

## **Tiger offensive system . . .**

Coach Wayne McConnell has his Tigers use a multiple-T offensive system, embodying characteristics of several different T-formation systems.

## Press Facilities

**PRESSBOX:** The main pressbox includes adequate facilities for press and radio. It is located atop the east stadium. Included are two enclosed radio booths; one is used by KAYS for each home game. The main press room is used by the working press, publicity personnel of the competing schools, statisticians and the public address and scoreboard personnel. Another large enclosed box is commonly called the "President's Box" and is used by college officials; it is not available for press or scout use.

**SCOUTS AND CAMERAMEN:** A new box was constructed in 1962 atop the west stadium. It is divided, half for movie cameramen and half for visiting scouts. The new box is white; the main pressbox is native stone.

**PRESSBOX PASSES:** These are required for everyone seeking admission to either box—press, radio, cameramen, scouts, publicity personnel, etc. Write the sports information director, preferably at least a week in advance to allow time for mailing. Late requests will be filled when possible; passes in those cases will be left at the ticket window. **NOTE:** The scout for the next Tiger opponent will be given preference; others will be seated if room is available.

**RADIO:** Radio stations wishing to broadcast a Tiger game must make their own arrangements with Southwestern Bell Telephone Co. in Hays. Also contact the sports information director at FHS to determine available facilities and to assure receiving press services.

**FILING:** A telephone is available in the main pressbox; another is located elsewhere in the stadium. Phones at Martin Allen Hall on the campus may be used after the game. Any newspaper desiring Western Union service must make its own arrangements by contacting the Hays Western Union office, 116 W. 11th.

**SERVICES:** Although the sports information service at FHS does not control all phases of the pressbox operation, we will do our best to serve you in any way. Before game: Programs, line-ups, number changes, flip cards, cumulative statistics for season, etc. During game: Detailed play-by-play sheets as each page is completed, team statistics and individual leaders at halftime. After game (as soon as possible): Final statistics and scoring summary.

## Athletic Director

Cade Suran, basketball coach at Fort Hays State for 20 years, became athletic director in January, 1965. He relinquished his coaching duties at the end of the 1964-65 basketball season.

Suran succeeded the late Paul "Busch" Gross, who served as athletic director for more than 34 years before his death in December, 1964.

Cade's early months in the new position were active ones, as evidenced by two major changes in the FHS athletic policy: The addition of baseball to the athletic program and the sale of season reserved seats in football.

As basketball coach, Suran guided his 19 Tiger teams to 264 victories and only 151 losses. That span included only four losing seasons, and one of those (1957-58) came when Suran was on leave due to ill health.

His teams won CIC championships in 1950, 1959, 1962 and 1963 and copped the NAIA District 10 titles in 1959, 1962 and 1963. They competed in the 32-team NAIA Tournament of Champions those same three years, earning fourth-place honors in 1959 and 1963.

Before coming to FHS in 1946, Suran coached in high schools at Harlan, Downs and Wellington. He spends part of his summers as an insurance adjuster and has farming interests in Central Kansas. He is also in demand as a banquet speaker and a square dance caller.

Cade also served as tennis coach last spring.

**Personal information:** Born—Saline County, Kansas, Dec. 17, 1911. High School—Kipp, Kansas. College—B.A., biological science, physical education, commerce, Kansas Wesleyan, 1934; M.S., education, physical education, Fort Hays State, 1950; also Emporia State, Colorado State College. Wife's name—Irene. Children—Sue (Mrs. Robert Peterson); Kay (Mrs. Larry Weigel). Hobbie—Square dance calling, fishing, hunting, golf.

**Home phone:** 625-3155

**Office:** 625-5611, Ext. 263

## Coach Wayne McConnell

Head football coach Wayne J. McConnell, in his third decade of coaching, begins his 12th season at Fort Hays State this fall.

Prior to coming to FHS, he coached for six years at College of Emporia, where his teams compiled a record of 39 victories, 12 losses and a single tie. His C of E teams were undefeated in regular season play in 1951, 1953, 1954 and 1955, and McConnell was named Little All-American Coach of the Year by the Rockne Foundation in 1953.

At FHS, his 11 teams have compiled a record of 44 victories, 50 losses and four ties. Last year's team was his most successful, charting a 7-2-0 mark. His 1957, 1958 and 1961 teams finished right on the .500 mark, the record in 1964 was 5-4, the record in 1965 was 6-3 and in 1962 it was 6-2-1.

Mac earned his bachelor's degree at Washburn University in 1934 and was a social welfare worker in Topeka until 1941, when he entered the Army for two years.

Following the service stint, he taught and coached in high schools at Effingham (three years), Gaylord (one year), Downs (two years) and Manhattan (one year) before moving to C of E. His coaching record after 24 seasons stands at 113 victories, 74 defeats and seven ties.

Wayne earned his master's at Emporia State in 1954 and is an associate professor of physical education on the FHS faculty.

**Personal information:** Born—Auburn, Kansas, April 19, 1912. High School—Auburn, Kansas. College—Ph.B., history, political science, physical education, Washburn, 1934; M.S., administration, guidance and counseling, Emporia State, 1954. Wife's name—Dorothy. Children—Denise, 21; Vicki, 16. Against non-league foes, CIC teams had a combined record of 10 victories and 15 defeats in 1966.

## The Junior Varsity

The junior varsity football squad at Fort Hays State is primarily a freshman team, with a few upperclassmen who lack experience in college football also seeing some action.

Graduate assistants Dave Parker and Tony Leiker have tentatively been assigned the junior varsity coaching chores. Parker was an All-CIC selection and gained NAIA All-American honors from his quarterback spot in 1962 for the Tigers while Leiker was a standout for the University of Kansas.

The Bengals will play their customary home-and-home series with Kearney and the usual single games with Emporia State and Northwestern Oklahoma.

The jayvee record over the past seven seasons is 10-13.

## The Season Outlook

"With a fine group of 21 returning lettermen and several area players that transferred to FHS, our prospects for the fall are better than average," says FHS Football Coach Wayne J. McConnell.

Most of the Tigers' 21 lettermen played on last year's co-championship team which compiled a 7-2-0 season record. FHS tied Pittsburg State for the CIC crown with a 3-1 conference mark.

McConnell says the biggest problem will be replacing quarterback Bob Johnson, an honorable mention NAIA All-American and honorable mention Associated Press Little All-American, who virtually rewrote the Tiger record books. The Tigers have only one experienced signal-caller returning.

Leo Hayden, a two-year letterman at quarterback, suffered a broken ankle in spring drills and is a question mark for this fall. If Hayden's ankle fails to respond, the quarterback duties will be in the hands of sophomore Kurt Seimers and transfer John Covington.

Offensively, with the exception of quarterback, the Tigers appear to be solid. Rich Dreiling, a two-time All-CIC first-team selection, returns to his fullback spot where he led the conference in rushing last year with 898 yards.

Ron Goates, a KU transfer and former Hays High standout, is expected to be the Tigers' number one halfback this fall. Charley Myers, a second-team All-CIC selection, returns to his center position for the Tigers.

Defensively, the Tigers return such stand-outs as Bud Estes, second-team All-CIC guard; linebacker Terry Claycamp, last year's leader on the Tiger defensive charts; and Dennis Bean, defensive middle guard who missed last season due to injuries after earning honorable mention NAIA All-American honors in 1965.

McConnell feels that the Tigers have some problems but adds that they all look solvable.

# The Outlook by Positions

## End — Average to Good

Two good ends in Ken Albers and Ken Caywood. Lack depth. Need newcomers to come through. Need help at defensive end. New prospects look good, could help.

## Tackle — Average to Good

With regulars Frank Tappan, Randy Randle and Jerry Smetana returning, the defensive tackle spot looks solid. Need depth at offensive tackle where Jim Powell is only seasoned veteran.

## Guard — Average to Good

With Dennis Bean, an honorable mention NAIA All-American in 1965, returning this season after missing last year with injuries, the defensive guard position looks solid. However, Tom Foran is only regular offensive guard returning. Need depth. New prospects look good, could help.

## Center — Good to Excellent

With regulars Charley Myers, Bud Estes and Doug Opdycke returning, position looks strong. Myers was a second-team all-conference choice last fall at center while Estes was a second-team All-CIC selection at defensive guard. All three are experienced snappers.

## Quarterback — Fair to Average

Only one experienced signal-caller returning, and an injury suffered in spring drills makes Leo Hayden, a two-year letterman, a question mark for this fall. If Hayden's injury is healed, the position is in good hands, with Kurt Seimers and transfer John Covington giving the position depth. Position looks questionable.

## Halfbacks — Good to Excellent

With transfers Ron Goates and Ralph Harrison handling the running back chores, the position looks solid. Goates, a KU transfer, is a definite breakaway threat with outstanding speed. Caywood, moved to end this fall, could return to give the position depth.

## Fullback — Good to Excellent

With two-time first-team All-CIC selection Rich Dreiling back, the position is a solid one. Letterman Gerald Bowman and transfer Frank Tighe give the position depth. Good experience, good depth. New prospects look good. A real bright spot.

## Slotback — Good to Excellent

With three-year letterman Terry Claycamp back along with Jesse Kennis, a 1962 letterman, the position looks good. Transfer Paul Simmons gives the position depth. Tighe could move over from fullback if needed.

## Linebacker — Good to Excellent

The return of Claycamp and Kennis gives the position a solid look. Simmons gives the position depth. New prospects look good, could help.

## The Conference Outlook

"With the return of quarterback Marlin Briscoe and a fine group of football players, I feel that Omaha will be the team to beat for the CIC title," says Fort Hays State head football mentor Wayne J. McConnell.

The Indians at OU return 28 lettermen from a team that posted a 1-9 record last season. However, with Briscoe returning, after missing last season with a neck injury, the Indians are expecting an almost complete reversal of last year's performance.

McConnell says that Pittsburg State would have to be considered a title-contender. The Gorillas return 22 lettermen, most of whom played on last year's co-championship team. New coach Tom Lester will be out to duplicate last year's 3-1 CIC mark and 7-2 season slate.

McConnell looks for Emporia State to be improved and rates Washburn University as a dark horse. The Hornets return 24 lettermen and have picked up a handful of outstanding transfers and should be considerably better.

At Washburn University, new coach Bill Schaaake returns only 16 lettermen from a team that finished with a 2-7 mark last year. However, the Ichabods would have to rate a dark horse with several returning squadmen. For Fort Hays State prospects, read page 29.

## Bulldog Prospects: Experienced

Experience is the word from the Southwestern camp this season. No less than 10 offensive starters return this fall from a Bulldog squad that posted a 7-3 record in 1966 and that spells trouble for Southwestern opponents. In all, Coach Delaporte welcomes back 22 lettermen including the entire starting backfield from a team that averaged over 19 points through 10 games last season. Top prospects are Mike Freeman, Charles Randle, Gene Dillman and John Bailey, all backs. Freeman was everybody's choice for OCC honors from his quarterback spot.

## Antelopes Prospects: Good

Preseason forecasts from Kearney indicate the possibility of a season similar to that of last year when the Antelopes posted an 8-2-0 record. The Antelopes' chances of equalling or improving on last season's mark hinge on the interior line. Coach Allen Zikmund has several freshmen players he is counting on to replace the gaps caused by graduation. The Antelopes return 41 letterman with two equal backfields returning from the NAIA's top rushing team in 1966.

## Bear Outlook: Improved

Forecasters at CSC say the Bears should be improved over the 4-6-0 record chalked up last year. Coach Blasi plans to stick with the wing-T formation but will be inserting some new variations. Top prospects include center Ron Klatt, tackle Sig Jensen, end Gary Bell, end Arnie Galacia, and backs Mickey Holmes and Mike Woolford.

## Ichabod Prospects: Inexperienced

New head coach Bill Schaake will be faced with a problem of youth and inexperience. The 1967 Ichabod squad has only 16 returning lettermen and only five are seniors. Lack of depth at several key positions will be the main problem. Seven of the 16 returning lettermen are vying for backfield positions. The Ichabods return only four lettermen that were offensive linemen during the 1966 season. Leading the list of returning lettermen are quarterback Dean Ferrell, halfback Steve Alston, defensive backs Jeff Hill and Wes Chapman, and defensive linemen Ken Harris and Bill Stanhope.

## Hornet Prospects: Rebuilding Year

Reports from Emporia label 1967 as a rebuilding year. With a new coach, new system and new program to go with the toughest Hornet schedule in the past few years, the Hornets will be seeking improvement of a 3-6-0 mark. Twenty-four returning lettermen and two top-flight transfers, both quarterbacks, bolster the outlook at the Emporia camp. However, the Hornets lack depth and need definite help on defense.

## Indian Prospects: Rebuilding Year

According to Southern Colorado coach Joe Prater, the 1967 season will be a rebuilding year, the second year of a four-year rebuilding program after an 8-1-1 record in 1965. Prater is depending on junior college transfers to fill many of the holes left by graduation losses. Defense is the big question mark. Offense looks good with speedsters Frank Hester and Willie Redmon returning. Top prospects: Hester, Redmon and Paul Cowan.

## Gorilla Prospects: Good

A rebuilding job is in store for new head coach Tom Lester, as the Gorillas lost nine starters, including eight offensive players from last year's CIC Co-Championship team. Lester plans to continue using the "I" formation that was installed into the offense a year ago, but promises a better passing game this fall. The Gorillas return 22 lettermen and have added some fine junior college transfers. Top prospects include Fred Held, Larry Beard, Bob Howard and Vertie Tomlin.

## Indian Prospects: Good to Excellent

Indian Coach Al Caniglia is looking for a complete reversal of Omaha's 1966 record. And with the return to action of senior quarterback Marlin Briscoe, Caniglia forecasts a 100 per cent improvement in the Indian offense. Briscoe, a two-time All-CIC choice, was third in the NAIA in passing and fourth in total offense in 1965 before missing last season with a broken neck. Reports from the Omaha camp have it that Briscoe is in A-1 shape and is throwing better than ever. Ron Sayers (brother of Gale and Roger) returns to his halfback spot where he was the Indians' leading ball carrier a year ago. With 28 returning lettermen and seven top-notch transfers, the Indians are looking for a fourth CIC championship in six years.

# All-Sports Trophy

**CADE SURAN**, athletic director at FHS, beams proudly at the All-Sports trophy given for the first time and won by FHS last season. The trophy is significant of the strength of Tiger athletic squads year in and year out at FHS.

Fort Hays State won the All-Sports Trophy awarded for the first time by the Central Intercollegiate Conference last year. FHS finished with 18 points while Emporia State and Pittsburg State tied for second with 19½.

The Tigers won only one first (cross country) but gained one first-place tie (football) and two seconds (track and golf). FHS tied for third in basketball and baseball and finished fourth in tennis.

All five schools won or shared at least one CIC crown while none of the colleges won more than one title outright.

Sport	FHS	Emporia	Pittsburg	Washburn	Omaha

# Past Season Records

(Note: A college history compiled by the late L. D. Wooster, president-emeritus of Fort Hays State College, indicates that football was played with several opponents prior to 1913, but that these games were primarily with high school and "town" teams. The first season on which the school has complete scores is 1913; the first completely intercollegiate schedule was played in 1915.)

## Looking ahead . . .

Basketball fortunes at Fort Hays State for the coming season are looking considerably better than they did at this time last season. Chuck Brehm, in his third year at the Tiger helm, will greet eight lettermen and two provisional lettermen back to camp Oct. 15.

The only letterman lost from last year's 8-13 squad was guard Alan Billinger. Back to boost Tiger hopes are All-CIC forward Fred Andregg, second-team All-CIC center Mike Miller and flashy guard Gene Rider.

Though a still young ball team (with Andregg and Miller the only seniors), the Tigers should be much improved. The guard position is strong with Rider, Mike McAtee, Jack George-son and transfer John Markle from Hutchinson Junior College. Two or three transfers should battle for the starting nod at center. The top candidate is Bill Greving from Dodge City Juco.

The forward spots should be a battle with Andregg and Miller fighting off lettermen Frank Lovitch, Bill Bray, Francis Gronewaller and Steve Salter. Here again, transfers could help. All-in-all, on paper at least, it looks as if he Tigers could make a run for the conference crown.
